

Activity Description (1-2 sentences):

Put yourself in the shoes of your student(s) to rate the statements.

No.	Statement	Tick if applies (✓)
COMPETENCE (Choose only ONE statement from 1-5 below that best applies.)		
1	I cannot: I am unable to perform this task even with guidance.	
2	I am not sure if: I am unsure whether I can complete this task successfully.	
3	I might be: I might be able to perform this task with some support.	
4	I can: I can perform this task independently and achieve the expected outcome.	
5	I can excel: I can perform this task at a high level and exceed expectations.	
AUTONOMY (Choose only ONE statement from 1-5 below that best applies.)		
1	I have no say: I follow instructions exactly as given without input or choice.	
2	I can copy: I can replicate what others have demonstrated or instructed.	
3	I can make some modification: I can adjust or slightly improve existing ideas or methods.	
4	I can create with supervision: I can decide my own approach to complete a task effectively.	
5	I can create new ideas with my own initiative: I can independently generate original approaches and innovative solutions.	
RELATEDNESS (Choose only ONE statement from 1-5 that best applies.)		
1	I feel isolated: I do not feel connected to others when working on this task.	
2	I feel somewhat included: I occasionally feel part of a group but not consistently supported.	
3	I feel supported: I experience encouragement, understanding, and collaboration from others.	
4	I feel connected: I feel a sense of belonging when working with others.	
5	I feel strongly connected: I have strong, positive relationships and actively contribute to and support others.	

Tick the taxonomy level that applies to your chosen activity. You may tick more than one.
